

School Aged Children Speech And Language Forum

An opportunity to discuss any queries or concerns around Speech, Language and Communication.

Do you need support making the class and language accessible to children you work with? Do you have concerns with their understanding/spoken language and communication and need advice?

Why?

Are you unsure whether to refer to the SLC Pathway?

What?

Do you want more information about supporting children/families you work with?

Do you have any questions about the process of Speech and Language Therapy?

Then come and have an informal chat with a member of our speech and language team to discuss any concerns about children between the ages of 5-16.
